Sir:

SUBMISSION OF REPLACEMENT DRAWINGS

In response to the Notice of Drawings Inconsistency with Specification mailed on August 11, 2006, Applicant submits the attached replacement drawings. In the Notice, the Examiner objected to an inconsistency between the Brief Description of the Drawings section of the specification and the numbering of the replacement drawings filed on March 9, 2006. The attached replacement drawings have been amended to correct the numbering of the drawings to correspond to the specification and the originally-filed drawings.

Therefore, subject to the approval of the Examiner, please replace the drawings in the above-identified application with the seven drawing sheets filed herewith (Figures 1, 2, 3A, 3B, 4, 5, and 6). If the replacement drawings for any reason are not in full

compliance with the pertinent statutes and regulations, please so advise the undersigned.

If any fees are necessary for the submission of these formal drawings, please charge our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
